SECOND GENERAL ASSEMBLY September 28 and 29, 2023

Our Second General Assembly was held at our school, New Brighton School of the Philippines, Inc., on the previous Thursday and Friday, September 28 and 29, 2023, which proved to be an informative and successful day.

We have scheduled separate sessions for regular students and student employees to make it more convenient for everyone. This division ensures that our hardworking Student Employees can fully engage with substance information to furnish answers regarding their concerns.

During this gathering, we discussed the institution's upcoming activities and events, such as the much-anticipated Brightest Night Gala and Pasiklaban 2023. Following the assembly, each division delved into their plans for Pasiklaban.

As students, we witnessed the significance of teamwork as we collaborated to pursue learning, development, and creativity. We explored bold strategies and initiatives aimed at enhancing our institution's operations and activities, under the guidance of the SSC of the school, with assistance from Ms. Romelyn Bitayo, the OSA coordinator, and Mr. Erwil Agbon, the SSC adviser.

We express our deepest gratitude to our school dean, Dr. Angelita C. Ty, for her unwavering support. Additionally, we extend our thanks to the school's faculty members, staff, and students who participated in the entire program.

ADHIKA | BUWAN NG WIKA 2023 September 03, 2023

“Filipino at mga Katutubong Wika: Wika ng Kapayapaan, Seguridad, at Inklusibong Pagpapatupad ng Katarungang Panlipunan.”

Ito ay pagkakataon na itaguyod ang mga wika ng iba’t ibang rehiyon sa bansa, patunayang mas malalim ang kahulugan ng bawat salita at titik, at higit sa lahat, ito ay pagdiriwang ng ating pagkakaisa bilang isang bansa.

Sa pagdaraos ng buwan ng wika ay nagkaroon ng awit at pagsayaw, mga larong pinoy, sunod nito ay ang masining na pagmumugna na kasabay ang tagisan ng talino tungkol sa panitikan mula sa lahat ng sulok ng ating bansa.

Sa pagtatapos, isang makulay at masaya na Parada ng Lahi ang naganap. Dito ipinakita ng mga mag-aaral ang kahalagahan ng ating mga wika at kultura. Kasama ang mga mag-aaral at guro, nagkakaisa kami upang ipagmalaki ang aming mga tradisyon, kasaysayan, at wika. Sa bawat paso ng aming parada, isang kuwento ng pagkakaisa at pagmamahal sa bayan ang aming ibinahagi.

October 21, 23-26, 2023

The NBSPI's intramurals, also known as Pasiklaban, are one of the highlights and most anticipated events of the semester. The said event was considered successful as it ended on a high note. Brightonians are able to share their greatness and talents while at the same time showing sportsmanship in every competition. The conclusion of Pasiklaban 2023 is a milestone that should be honored and remembered.

ACCOMPLISHED ACTIVITIES

BRIGHTEST NIGHT GALA 2023 October 27, 2023

Mr. Michael Carbon graced us with his presence, taking the stage as the master of ceremonies, igniting the enthusiasm of the students and the entire event. To commence the evening, the Office of Student Affairs (OSA) coordinator, Ms. Romelyn Bitayo, extended a warm welcome, setting the stage for an evening of grandeur. Following this, the Supreme Student Council (SSC) and various clubs within the institution participated in the oath-taking ceremony.

The launch of the souvenir, the "Brighton TOTE-fulness" Campaign (shortened to "BTOTEful") of Batch 2023-2024 NSTP Students—a continuation of the previous NSTP Students' Reject Plastic campaign—was presented by Mr. Erwil Agbon. The souvenirs were distributed by the SSC officers to the attendees. Prior to the event's official start, students eagerly seized the opportunity to capture gala-inspired moments by posing at the photo wall and showcasing their style in front of the arc mirror.

Among the attendees, some stood out as exceptional, earning accolades such as the Early Bird Award, Glamour Icon/Head Turner Award, and Gala Royalty Award (Brightest Prince, Princess, King, and Queen). Moreover, the event featured testimonials from selected students representing different divisions, adding depth and a personal touch to the gathering. To infuse a lighthearted atmosphere, entertaining games were incorporated, overseen by our Public Information Officer (P.I.O) and 4th Year Representative.

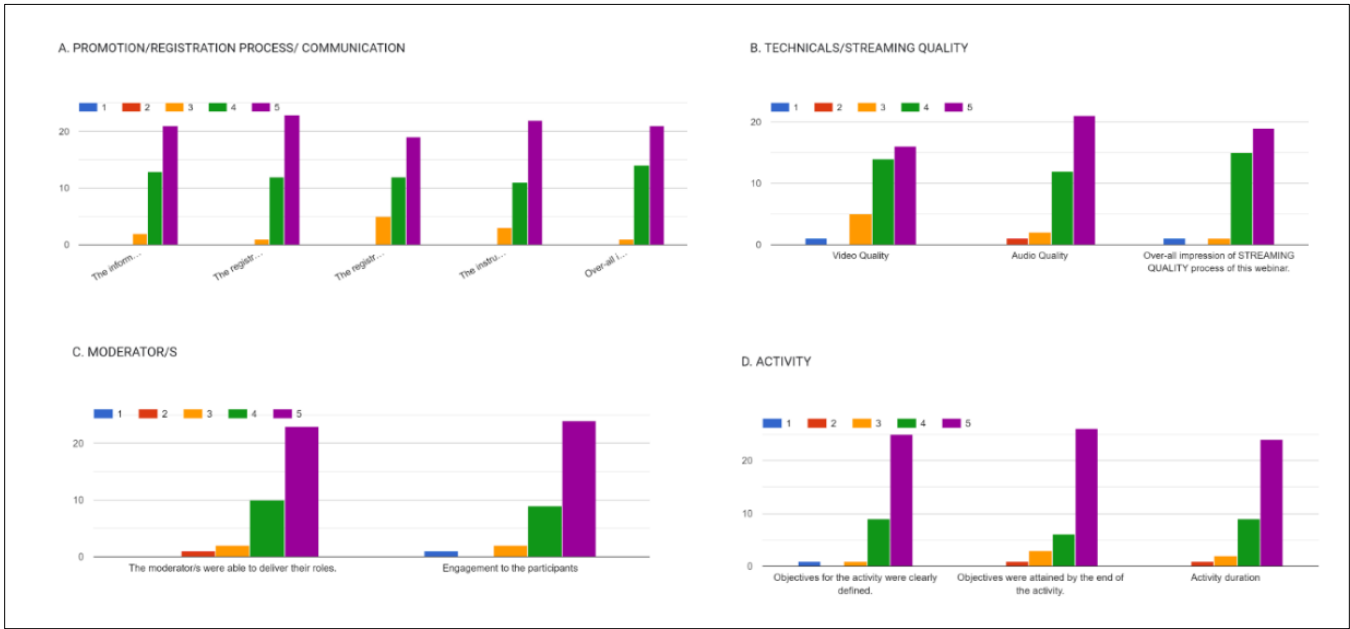

During dinner, the much-anticipated moment arrived as the Celestial band took center stage, enchanting everyone with their captivating performance featuring a new set of songs. Post-dinner, Chan's Visuals (videographer and photographer of the night) unveiled their same-day-edit, a breathtaking compilation showcasing the gala's highlights. The impressive presentation garnered widespread admiration, especially from our advisor, who praised the remarkable editing skills. Subsequently, our guest DJ, Ezy Tellez, swept everyone away with his enchanting beats and charisma.

The night became a joyous celebration, leaving everyone yearning for more. The success of the gala owed much to the adept guidance and support from the OSA coordinator, SSC Adviser, SSC officers, institutional clubs and organizations (especially the Sirius Publication and Socio-cultural Club), School's Dean, Principal, President, staff, administrators, faculty members, suppliers, collaborators, and, most especially, the Brightonians. As we look ahead to our future events, our commitment is to dedicate even greater effort to provide you with exceptional service and experiences. We are determined to continuously improve and ensure that each upcoming event surpasses expectations, aiming to deliver nothing short of our very best for your enjoyment and satisfaction.

Overall, under the celestial canopy, we shone our brightest. The night was an embodiment of grace, inspiration, and boundless joy. It fostered new connections and etched enduring memories. Here's to an unforgettable evening marked by timeless beauty and cherished moments. Cheers to an enchanting night that will forever remain etched in our hearts.

The 1st General Assembly ended with bright and shining attendees coming from different courses and year levels. The general assembly conducted for its purpose of allowing the students to be aware of what is coming. The said general assembly ended with a good impression by the students. However, there are some comments and opinions that need to be addressed in order to prevent further confusion.

Some students suggested having at least a couple of minutes break because it is tiring to sit for a long period of time. Additionally, some suggested to make the intermission number not to take too long and make the visual clearer. Moreover, the majority of the students left positive comments about the said general assembly.

EVALUATION

SECOND GENERAL ASSEMBLY
September 28 and 29, 2023

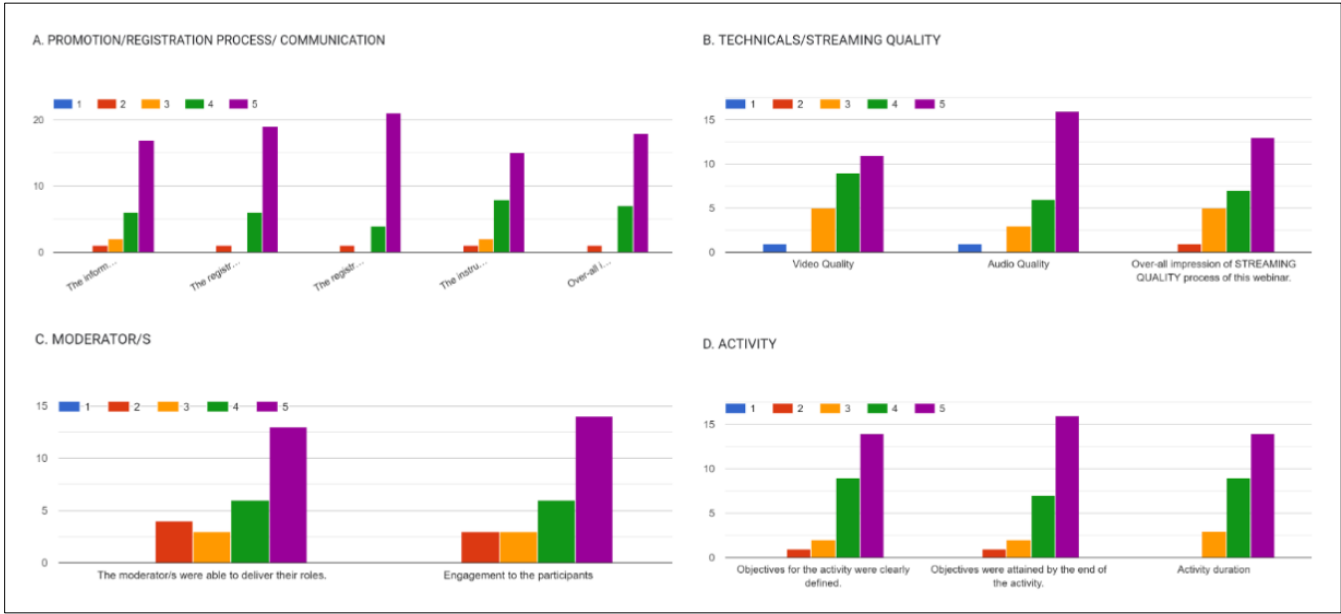

The 2nd General Assembly happened on September 28 and 29, 2023 left a good impression. Students had the chance to be able to know what the next event would be and what they should expect. As the majority of the students left positive comments, there are some students who left comments that need to be assessed in order to close the gaps of misunderstanding.

Some students said they went to the school earlier yet they processed some papers that led them to not be able to sign their attendance, if possible, they could still get the chance to have their attendance being signed despite their absence during the given time of signing the attendance. Additionally, as the general assembly took a long period of time, they suggested it to be more entertaining. Overall, they appraised the general assembly because they understood it well and the moderators did their job well.

EVALUATION

ADHIKA | BUWAN NG WIKA 2023

September 03, 2023

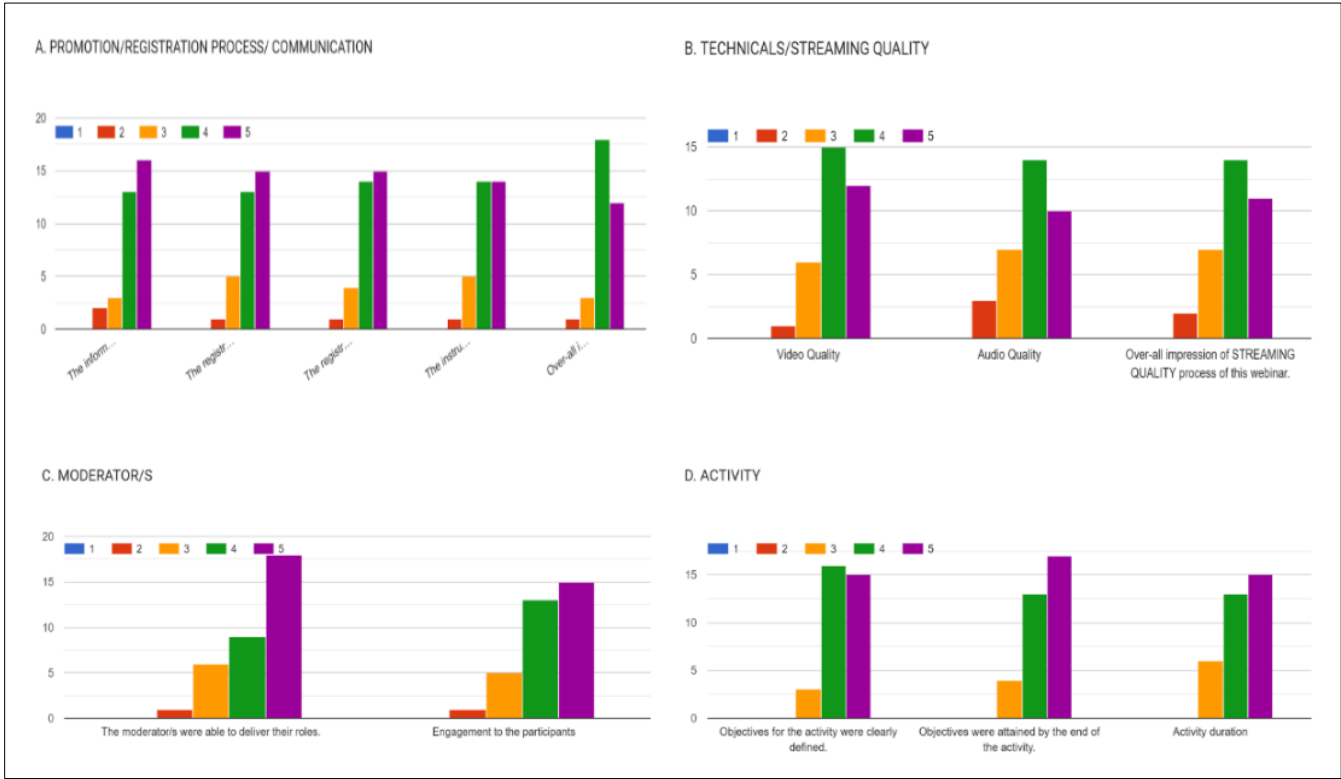

Ang Buwan ng Wika ay isang selebrasyon upang gunitain ang mga wikang nag-uugnay sa mamamayang Pilipino at para na rin bigyang diin ang kahalagahan ng ating wika. Sa paggunita nito, inanyayahan ang bawat estudyante at mga guro na magsuot ng katutubong damit na siyang nag prepresenta sa kanilang lahi o nais lamang ipresenta. Ang bawat estudyante’t guro ay nabigyan ng pagkakataon upang irampa at ibahagi ang kanilang naggagandaha’t naggwawapohang mga kasuotan.

Sa pangyayaring ito, may iilang estudyante ang nagbigay ng kanilang opinyon sa takbo ng programa na kung saan may naglahad ng saloobin patungkol sa *alituntunin na kung saan hindi ito nabigyang klaro kaya’t nagkaroon ng pagkalito ang mga kalahok, at magkaiba rin daw ang alituntunin bago at noong nagsimula na ang laro*. May naglahad din ng opinyon patungkol sa pagkuha ng bidyo sa nasabing selebrasyon sapagkat may iilang kuha raw na *blurred at hindi maayos*. Karagdagan, sa parada ng lahi na kung saan nirampa ang mga kasuotan habang binibigyang oras ang mga estudyanteng rumampa habang kinukunan ng litrato’t larawan, may iilang nagbahagi na *nahiya sa ganoong parte ng programa* marahil na rin na may iilang estudyanteng hindi sanay sa ganoon, mainam na bigyang pansin ito. Kabuuhan, ang mga estudyante ay nagpahayag ng kanilang masaya at maligalig na opinyon sa nangyaring paggunita. Karamihan ay nagbigay puri sa mga taong nanguna sa selebrasyon at nagbigay apresasyon sa punong abala.
